(Neil Diamond)

Red red wine go to my head  
Make me forget that I still need her so  
Red red wine it's up to you  
All I can do I've done but mem'ries won't go  
No mem'ries won't go.

I'd have sworn that with time  
Thoughts of you would leave my head  
I was wrong now I find  
Just one thing makes me forget.

Red red wine stay close to me  
Don't let me be alone it's tearin' apart  
My blue blue heart.

I'd have sworn that with time  
Thoughts of you would leave my head  
I was wrong now I find  
Just one thing makes me forget.

Red red wine stay close to me  
Don't let me be alone it's tearin' apart  
My blue blue heart...
