Remember me I'm the one who loves you
When you're all alone and blue
No one to tell your troubles to
Remember me I'm the one who loves you

When this old world turned you down
And not a true friend can be found
Remember me I'm the one who loves you

Through all kinds of weather you'll find, I'll never
change
Through the sunshine and the shadows, I'll always be
the same
We're together, right or wrong, where you go, I'll tag
along
Remember me, I'm the one who loves you

Through all kinds of weather you'll find, I'll never
change
Through the sunshine and the shadows, I'll always be
the same
We're together, right or wrong, where you go, I'll tag
along
Remember me, I'm the one who loves you
