(Roy Drusky - Lester Vanadore - Marvin Moore)

I'm a fool, such a fool, a crazy fool for lovin' you.

I'm a fool, such a fool, a crazy fool for trustin' you
Well the day we met I told my heart you better let her
be
No good no good she ain't no good she'll make a fool
of me
I'm a fool, such a fool, a crazy fool for lovin' you.

--- Instrumental ---

I'm a fool, such a fool, a crazy fool for lovin' you.

I'm a fool, such a fool, a crazy fool for trustin' you
Well the day we met I told my heart you better let her
be
No good no good she ain't no good she'll make a fool
of me
I'm a fool, such a fool, a crazy fool for lovin' you...
