Take me back I'm begging
Please take me back I'm on my knees
For you to scold me hurt me
Hold me, darling take me back

When you belonged to me I had a jealous mind
Too late I've learned that you were not the cheatin' kind

Take me back I'm begging
Please take me back I'm on my knees
For you to scold me hurt me
Hold me, darling take me back

My jealous eyes have learned to take a look or two
They were too blind to see that I was losing you

Take me back I'm begging
Please take me back I'm on my knees
For you to scold me hurt me
Hold me, darling take me back

They say you live and learn and though I've tried
before
I promise never to be jealous anymore

Take me back I'm begging
Please take me back I'm on my knees
For you to scold me hurt me
Hold me, darling take me back
