(Arthur Kent - Sylvia Dee)

Why does the sun go on shining
Why does the sea rush to shore
Don't they know it's the end of the world
For you don't love me anymore.

Why do the birds go on singing
Why do the stars glow above
Don't they know it's the end of the world
It ended when I lost your love.

I wake up in the morning and I wonder
Why ev'rything's the same as it was
I can't understand no I can't understand
How life goes on the way it does.

Why does my heart go on beating
Why do these eyes of mine cry
Don't they know it's the end of the world
It ended when you said goodbye.

Don't they know it's the end of the world
It ended when you said goodbye...
