Thinkin' of you, wonderin' who touches you the way I  
used to do.

The last time I called somebody darlin' was the last  
time you held me close to you.

Missin' those times, wishin' that I had the heart to love  
somebody new.

The last time I called somebody darlin' was the last  
time you held me close to you.

I may be a fool but I still love you.

I can't break the chains of yesterday.

When I get close to callin' someone darlin', my heart  
reminds my lips that I'm not free.

Dreamin' alone, still holdin' on, even though there's  
nothing left to do.

The last time I called somebody darlin' was the last  
time you held me close to you.

The last time I called somebody darlin' was the last  
time you held me close to you.
