If there's water in the desert sand out in the sea  
If you were not an angel sweet as you could be  
You could turn the night today make all my dreams  
come true  
Say how far it is to heaven then I'll stop loving you

If the earth is up above us stars are down below  
If there are daisies in the desert roses in the snow  
If today can be tomorrow if old things can be new  
If you can live without a heartbeat then I'll stop loving  
you

There's no daisies in the desert no roses in the snow  
The earth is not above us the stars are not below  
Today can't be tomorrow old things can't be new  
I can't live without a heartbeat and I can't stop loving  
you
