(Harvey Schmidt - Tom Jones)

Try to remember the kind of September
When life was slow and oh so mellow
Try to remember the kind of September
When grass was green and grain was yellow.

Try to remember the kind of September
When you were a tender and glad ol' fellow
Try to remember and if you remember then follow.

Try to remember when life was so tender
That no one wept except the willow
Try to remember when life was so tender
And dreams were left beside your pillow.

Deep in December it's nice to remember
The fire of September that made us mellow
Deep in December it's nice to remember and follow...
