There is someone walking behind you turn around look  
at me

There is someone watching your footsteps turn around  
look at me

There is someone who really needs you here's my  
heart here's my hand

Turn around look at me undertsand understand

That there's someone to stand beside you turn around  
look at me

And there's someone to love and guide you turn  
around look at me

Oh I've waited but I'll wait forever for you to come to me

Look at someone who really loves you turn around look  
at me look at me
