Woman, woman
Have you got cheatin' on your mind
On your mind.

Some things wrong between us
That your laughter can not hide
And you're afraid to let your eyes meet mine
Lately when i love you i know your not satisfied.

Woman, woman
Have you got cheatin' on your mind
On your mind.

I've seen the way men look at you
When they think tihat I don't see
And it hurts to have them think that you're that kind
But it knowing that you're looking back that is really
killin' me.

Woman, woman
Have you got cheatin' on your mind
On your mind.

A woman wears a certain look
When she knows the mood
And a man can always tell what's on herr mind
I hate to have to say it but it's that look all over you.

Woman, woman
Have you got cheatin' on your mind...
