(Bob Merrill - Terry Shand)

You don't have to be a baby to cry
All you need is your love to go wrong
You don't have to be a baby to cry
Or you lie awake the whole night long.

When you leave me my golden rainbow disappears
Then you leave me a broken heart that's full of tears
A these ain't raindrops in my eyes why should I lie
You don't have to be a baby to cry.

--- Instrumental ---

Well, these ain't raindrops in my eyes why should I lie
You don't have to be a baby to cry...
