You're my world, you're every breath I take
You're my world you're every move I make
Other eyes see the stars up in the skies
But for me they shine within your eyes

As the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine I feel a power so divine

You're my world you are my night my day
You're my world you're every prayer I pray
If our love ceases to be then it's the end of my world
for me

With your hand resting in mine I feel a power so divine
You're my world you are my night my day
You're my world you're every prayer I pray
If our love ceases to be then it's the end of my world

End of my world, end of my world for me
