Liviu Teodorescu:

You're killing me slowly, I'm giving in
You're crying me out like a violin
Your words are the sweetest poetry
My pleasure and pain, you're my symphony

You're killing me slowly
Killing me slowly
Killing me slowly
My pleasure and pain,
My electronic symphony

deMoga:

What you do to me
Hurts so good baby
Can't you see it's getting physical
Pushing me around
Messing with my sound
Electronic fucking classical

Liviu Teodorescu:

You're killing me slowly
