[ 1st Verse ]

Not afraid, of you touching me  
Put your hands only where I can see  
Before play, baby hide and seek  
Want to find your love inside of me  
I'll keep it up, I'll take it down  
Boy I promise I'm the baddest girl around  
Yeah I'm the one, one of a kind  
Wanna get you headsprung, watch me blow your mind

[ Pre-Chorus ]

You can lust and take me down, down on your town  
Hands up, bass low, love sounds  
Blow it like a speaker  
Shake it, shake it, I'm a keeper baby  
All I wanna do, all I wanna do, wanna do is

[ Chorus ]

Go all night 'till your love comes out, 'till your love  
comes out  
Can you go all night 'till my love comes out, 'till my love  
comes out  
I just wannna blow it like a speaker  
Shake it, shake it, I'm a keeper baby  
All I wanna do, all I wanna do, wanna do is  
Go all night 'till my love comes out, 'till my love comes  
out
