True you ride the finest horse
I've ever seen
Standing 16 1" or 2"
With eyes wild and green

And you ride the horse so well
Hands so light to the touch
I could never go with you
No matter how I wanted to.

Ride on
See you
I could never go with you
No matter how I wanted to.

When you ride into the night
Without a trace behind
You your claw along my gut
So one last time.
I turn to face an empty space
Where you used to lie
I look for the light that guides
And I put a teardrop in my eye.

Ride on
See you...
