sand bar on the river with a cooler of beer  
half a dozen girls and the water is clear  
lady's its ok to take your tops off  
a perfect combination with the sun and the sand  
i always try to keep sun tannin lotion in hand  
lady's let me know if i miss one spot  
wild women in white t shirts i couldn't believe my eyes  
i stay away from the weekend work and it comes to no  
big surprise  
i love the way i live my life  
its a country boys paradise  
Lil string bikini's and corona flip flops  
me and my buddy's standin on the tool box  
lady's its OK to take your tops off  
i think that im in heaven would you give me a pinch  
and i know what it means when that Lil blonde winks  
maybe me and you need to go for a walk  
wild women in white t shirts i couldn't believe my eyes  
i stay away from the weekend work and it comes to no  
big surprise  
i love the way i live my life  
its a country boys paradise  
wanna buy ya boat headed to the beach  
so many girls, look so sweet  
now baby doll whatcha plan  
could you ride with me? you betcha can  
with a white tshirt and an all red thong  
she jumped right in lost her phone  
i saw her frown said i whats wrong  
she grabbed a beer and said its on  
don't look now but shes on the boat  
droppin it down and gettin low  
people are comin from all around  
and we look like a floatin town  
oh my my oh hell yeah  
she danced so low her face is red  
she let out one big rebel cry  
and the top came off and she let it fly  
wild women in white t shirts i couldn't believe my eyes  
i stay away from the weekend work and it comes to no  
big surprise

i love the way i live my life  
its a country boys paradise
