[Verse 1]

Some bitch called my house this morning
Telling me she was giving me a warning
That I was with her man point blank
She suggested I step or get spanked
But I don't know what is the scenario
As far as I know he was not a gigolo
She called back said her posse was fat
Said they'd beat my ass down with baseball bat
Now first of all how'd she get my number
I don't know but Imo kick her ass way down under
I said you and your posse can all eat shit
And when I kick it to my uncle then we'll see about it
So picture this my friend withbinoculars
When I find out who you are I'll be knocking ya
Upside your hand 'til you're dead 'cause I'm fed
And every time I think about you my eyes go red

Chorus:

What should I do? Get sexual (repeat 7x)
Marley Marl what should I do? Get sexual

I stepped onward withthis story
Tried to figure out who's that hooker that called me
Took time out to assess possibillities
Wondering who in the hell wanna get withme
Called my man up he just said yo
Hookers are scheming don't pay it no mind
You know 'mo 'mo leave it behind
Easy 4 you 'cause they ain't calling all the time
I said check this if you know them
Tell 'em to rest or lmo puncture their colon
'Cause they don't know me and should not test me
Ignorance will get your ass busted up see
I know you know them so don't even feel it
You can get out too I damn sure mean it
I'll just flip and trip to plex you all
The type of stuff I be kickin' is sexual

Chorus:

What should I do? Get sexual (repeat 3x)
Marley Marl what should I do? Get sexual
What should I do? Get sexual (repeat 4x)

Hooker called my house again
Sayin' that her man was talking to her friend
Her man my man both one and the same
Pretty lame is the game he was playing on our brain
Well me is my so bitch don't try
I kissed his sorry black ass goodbye
Your name is not on my friendship list
Your telephone calls I will not miss
So step up quick to this hip chick
Just shut your lips watch me get slick
Or even butter sharp like a box cutter
Those who get with me could get any dumber
I'm the daughter of a sister now the mother of a
daughter
Come along come along if you wanna get slaughtered
Imo chop you up real nice tonight
And you know sex you all means doing it right

Chorus:

What should I do? Get sexual (repeat 7x)
Marley Marl what should I do? Get sexual
