Colony
It's Laden,
TJ we know she still like the deejay
What's Going on

Anytime you need me
Baby girl I'm always on time (on time)
Because girl you really amazing (amazing)
That is why you always on ma mind (on ma mind)
So baby girl we should be together
I know I've done wrong
We could both make it better
I promise you girl
I won't change like the weather
So what's going on girl,
What's going on on...

Hey girl
Tell me what's the deal
Mek we sign dis ting
Long time mi tell yuh
Seh your di finest ting
Yuh nuh tough yuh nuh have no crocodiley skin
Yuh deh deh from when time di coil did slim
She hear mi song
She smile while listening
She come in like di main vein inna my system
Yuh born number one, yuh nuh got no bag a man
What's going on, yuh a my sistren.

Anytime you need me
Baby girl I'm always on time (on time)
Because girl you really amazing (amazing)
That is why you always on ma mind (on ma mind)
So baby girl we should be together
I know I've done wrong
We could both make it better
I promise you girl
I won't change like the weather
So what's going on girl,
What's going on on...

Wah yuh seh mi hard fi trust
Cah mi really unruly
Really and truly,
Yuh really can cool me
Yuh nuh haffi worry bout Julie and Moolie
Because a yuh mi get a lot of trips to San Souci
My love for you my girl mi really can proovy
What happen to di moments wid di music and movies
Gyal yuh a goodas
Yuh nuh follow back a groupie
Dem a di least dem a beast, yuh a beauty.

Anytime you need me
Baby girl I'm always on time (on time)
Because girl you really amazing (amazing)
That is why you always on ma mind (on ma mind)
So baby girl we should be together
I know I've done wrong
We could both make it better
I promise you girl
I won't change like the weather
So what's going on girl,
What's going on on...

Baby girl we should be together
I know I've done wrong
We could both make it better
I promise you girl
I won't change like the weather
So what's going on girl,
What's going on on...
