[Hook- Perion]

I wanna see you front back side to side  
Just keep it movin  
I want to see what you do to get loose now  
Just keep it movin  
Move it girl  
I love the way you work it on in  
Hey now work it out  
Move it girl  
Just keep it movin

[Fiend]

Body Head  
Follow me  
Mommy can wobble if she want it  
stay ride it if she want it  
That face and body she can model if she want it  
She ghetto bound stare you down in a NY minute  
A pair of Monolo Blanc's the only way you'll get up in it  
shorty love fuckin with rappers  
don't date many actors  
don't care if you're married or bachelor  
she make a Southern boy proud to his toes  
quickly forgettin not lovin them hoes  
she get money  
like Lil Kim, Biggie and Lil Cease  
sure to cheese  
you'll see more than a tease  
and ma can drop it like it's heated  
drink and stay weeded  
know niggaz dog for pussy so she make 'em all  
retrieve it  
nails done and she weave it  
slightly conceited  
and love to meet a man who swears he don't eat it  
you really want to see her back into it  
you see her purse put a stack into it

[Hook]

[Petey Pablo]

I'm good for wilin out in the club throwing money

around  
Fo bad chicks that want to dance with their titties out  
Doin tricks makin their bootie bounce  
Tootin up little balls in their coochie  
Then poot them out  
Make her touch the ground  
Hot damn she blood raw  
That ain't the badest bitch up in here boy, I swear to  
God  
Get it mama turn around  
Look how she do her mouth  
I got that lip gloss shining like some Armor All  
There she go twirlin around on the pole  
Slow down hoe, hoe  
I gotta pay her for it  
Come here honey  
Come get this money you deserve it  
Here's a 10, here's a 20, here's a fuck it take a 100

[Hook]

[Roy]
