[RJJ]

Nigga I am R-J-J-R  
My pockets are full of paper  
Everything you see here's mine  
I'm a thug and I'm rich

you know my kind  
always on a hunt lookin for a lil more dough  
I can splurge with  
money I can merge with  
women I can flirt with  
see if I can thug 'em  
I got me a dime  
All I wanna do is cut 'em  
No convo  
All I wanna do is cut 'em  
Don't play with 'em never act like I love 'em  
Only act like that nigga daddy raised  
See I'm kinda cocky in my ways  
But a nigga getting paid  
And I'm probably in the back getting laid  
With somebody's wife somebody's getting' played  
I got my eyes on the prize  
Mind on my money, got my money on my mind  
Got my money on my mind nigga

I be thugin, keeping it real  
Holdin it down  
From the East to West Bank  
Up to downtown  
I'm a street nigga  
And I keep that work  
Keep that heat  
Bitch nigga give me fifty feet  
I've been bout uppinn  
Loadin, cocking and pullin  
Poppin and pullin

I've been ridin 20's  
Getting money at 15  
Dat there new to ya'll that shit throw back to me

Blingin and all that  
If I'm not a Hot Boy then whataya call that  
I'm a Vet
