To da corner store went got my girl Coco

Just to see my girl Tess  
Cause we knew that hoe  
Wanted to get blowed

And rolled the windows up  
An took us a ride aroun Rumurs

Catch a cotact from dat urb as they come out  
So we parked on the side to see whos shive  
An see if there some niggas that's bound to get high
