Visit "[Happy Up Here](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You know I really like it  
I know I'll always be here  
You know it makes my heart beat  
You know I'm happy up here

Would you talk to me  
Would you vote for me  
Im ready for it!  
You know I really like it  
I know I'll always be here  
You know it makes my heart beat  
You know I'm happy up here

Would you talk to me  
Would you vote for me  
Im ready for it!

You know I really like it  
I know I'll always be here

Whatever you do  
Whatever you say  
Nothing could push this feeling away  
Pursuing my heart  
or pursuing my head  
I feel like I'm part of the book of love  
Remember the page  
Remember the people

Simply a part of human nature  
Sending me back to the memory lane  
this pain again

You know I really like it  
I know I'll always be here  
You know it makes my heart beat  
You know I really like it  
I know I'll always be here

Whatever you do  
Whatever you say  
Nothing could push this feeling away

Pursuing my heart  
or pursuing my head  
I feel like I'm part of the book of love  
Remember the page  
Remember the people  
Simply a part of human nature  
Sending me back to the memory lane  
this pain again

You know I really like it  
I know I'll always be here  
You know it makes my heart beat
