No much I gained or break, it's those tiny little spots  
Daily life that makes me forget my wounded heart  
It doesn't matter when it may rain or it may shine  
Glowing and reason months come back from time to time

No much I gained or break, it's those tiny little spots  
Daily life that makes me forget my wounded heart  
It doesn't matter when it may rain or it may shine  
Glowing and reason months come back from time to time

No much I gained or break, it's those tiny little spots  
Daily life that makes me forget my soggy heart

It doesn't matter when it may rain or it may shine  
For you will always be here stored inside my mind

Till I give you all my love  
[Incomprehensible]  
Tell you what I'm feeling, though  
Oh, whoa, oh

I can give you a thousand years  
You'll be here  
Leave you with a thousand tears  
Oh, whoa, oh, whoa, whoa, oh, oh

Can I be so alone?  
Can I be so alone?  
Oh, oh, whoa, oh, oh  
La la la la la la  
Hmm hmm
