Hello Sunny Brown

In your love
Drive me through the wall
Catch me if I slip n fall
In your love
Drive me through the wall
Catch me if I slip n fall
When you look into my eyes
I see the future of my life
Yeah, when you look into my eyes
Nanananana
In your love

Believe me, I'm not pretending
You've caught my eye
Beautiful to me in my life
Thinking you and me it's eternity
You hit me right here internally
Always spending time alone
When I could be by your side, yeah

Honey won't stop playing with me
Juggling my heart like it was free
Stop no no no no no no
Cuckoo girl stop, no no no no noo
Do you have to keep secrets from me
Tell me how you feel, I'm on my knees
Stop no no no no no
Cuckoo girl stop, no no no no no

(Punjabi)
[Pulvangu kirdi tu jaan toh pyari ah ni
Tere utti vaari ahni jind meri saari ah
Bari soni lagdiya katoh ni hariya ni
Kajre di taariya te laal phulkariyaa
Kehna di mangda hai dil marjana

Kehnda eh soniye ni tere utte anna
Bari soni lagdiya katoh ni hariya ni
Kajre di taariya te laal phulkariyaa

(English)

Thou blooming flower, dearer to me more than my life
Myself, all my life have I sacrificed over you
Magical eyes have spell bound me,
Eyelines, bright red dress
My heart is so passionate that it is not in my control
Magical eyes have spell bound me
Eyelines, bright red dress]

Honey won't stop playing with me
Juggling my heart like it was free
Stop no no no no no no
Cuckoo girl stop, no no no no no
Do you have to keep secrets from me
Tell me how you feel, I'm on my knees
Stop no no no no no
Cuckoo girl stop, no no no no no

In your love
Drive me through the wall
Catch me if I slip n fall

Drive me through the wall
Catch me if I slip n fall
When you look into my eyes
