We give our hearts to the lord of the lost

We live in the dark

Not in heaven we trust

We give our hearts to the lord of the lost

We're ready to depart

Not in hell we do trust

Love is patient

Love is kind

It keeps no record of wrongs

Love doesn't boast

Love isn't proud

It's light when all hope is gone

We give our hearts to the lord of the lost

We give our hearts to the lord of the lost

We live in the dark

Not in heaven we trust

We give our hearts to the lord of the lost

We're ready to depart

Not in hell we do trust

We give our hearts to the lord of the lost

Love always trusts

Love always hopes

It always perseveres

Love isn't rude

It's coming for you

The hand to dry your tears

We give our hearts to the lord of the lost

We give our hearts to the lord of the lost

We live in the dark

Not in heaven we trust

We give our hearts to the lord of the lost

We're ready to depart  
Not in hell we do trust  
We give our hearts to the lord of the lost

Do you know why I love walking in the rain  
Cause no one sees that I'm crying here all day  
I love to sleep in the fields between the dead  
Cause no one sees that I'm dying here instead
