It was one of these days, the right and the left grew apart

It was fear in my face, I felt a hole where I had a heart

I saw all of it fading away

Breeding flowers inside pitch black caves

I knew heaven and hell has been lies

I surrendered and turned out the lights

It's the seven days of Anavrin for you to leave the world behind us

Seven days of Anavrin, the treasure of you and me will find us

The right hand tries to control but the left hand bears the strength

Let it go, nothing's gonna change

Now revive the Abel in Caine

Days of Anavrin

I'm falling here into you

The first day of Anavrin

Is the last one I see you
