I still whisper your name
My nightly dreams are still the same

I am numb - I lost my mind
I am bound - I am entwined
Unlearned to seek - Inapt to find
It comes and shoots me from behind
The eyes of love are blind

I still repeat it on and on
Until the last echo is gone

I am numb - I lost my mind
I am bound - I am entwined
Unlearned to seek - Inapt to find
It comes and shoots me from behind
The eyes of love are blind

I still whisper your name - Again
My nightly dreams are still the same -
Again and again an again

I am numb - I lost my mind
I am bound - I am entwined
Unlearned to seek - Inapt to find
It comes and shoots me from behind
The eyes of love are blind

Obtaining wisdom leads to grief
Still pictures spinning on repeat
I need a leash I can't unwind
The eyes of love are blind

Tomorrow will be fine
I leave it all behind

I am numb - I lost my mind

I am bound - I am entwined
Unlearned to seek - Inapt to find
I come and shoot you from behind
The eyes of love are blind
