Tell me about your dreams,  
We can make them memories  
Tell me about your lies,  
I will believe them bona fide

I want, I want, I want you to beg me,  
I want, I want your devil inside

Tell me about your dreams,  
We can make them memories  
I'm showing you how sweet  
And satiating life can be  
If you're undead or alive,  
I'm fucking you to death

Tell me about addictions,  
Tell me about obsessions,  
I realize your fictions,  
I satisfy suppression

Sex, death & rock'n'roll
