I'm smiling across my face
Like a child who's been given candy
Walk in like a giant
Every step i take it finds me
Ooooh..
A new life, a new beginning,
Yeah something with some meaning
Because you gotta know that girl
You've stopped me in my tracks now
Can't you see that you

Rewind my life girl,
reset my heart back to zero
It's like all the heartache and pain
has been erased from me now
Whoaa.....
You rewind my life girl,
reset my heart back to zero
And I'm ready to start it
Over again with you now,
you now, you now

First taste of freedom
Is like.. a cool drink on a summer's day
I was lost now I've found
My sweet amazing grace
Oh...
A new start, a new beginning
At last something to believe in
I gotta tell you girl,
There's no turning back now
Can't you see that you

Rewind my life girl,
reset my heart back to zero
It's like all the heartache and pain
has been erased from me now
Whoaa.....
You rewind my life girl,
reset my heart back to zero
And I'm ready to start it

Over again with you now,
you now, you now, you now

If we rewind the clock of love
Our life, where we started from
With new pain to write our story on
Whoaa.....

Because You rewind my life girl,
reset my heart back to zero
heartache and pain
has been erased
(You've taken away from me)
You got me got me

Rewind my life girl,
(Oh baby)
reset my heart right back to zero
And I'm ready to start it
Over again
You got me got me got me...
