Que te olvidaste de m Que se ha escapado el amor
Por el portal del asto
Que te dice el corazn
Que hallars en otros brazos
Lo que no hallaste en los mos
Que es la rutina tal vez
Y necesitas vivir
Para aprender a querer
Y no comprendes mi bien
Que no basta con la piel
Para llenar el vaco
Da la vuelta y vete ya
Hoy te doy la libertad
De volar a donde quieras
Algn da t vers
Que difcil es hallar
Quien te d su vida entera
Y mientras tanto mi amor
Yo guardar mi tristeza
Todo este amor de verdad
Que no tiene otro lugar
Que tu corazn y el mo
Da la vuelta y vete ya
Si e pide el corazn
Una nueva ilusin y vete ya
Y que se vaya contigo este amor
Da la vuelta y vete ya
Que yo s muy bien
que muy pronto t me vas a extraar
Vete ya, vete ya, vete ya, donde quieras
Te doy la libertad
Si no me quieres
T te lo pierdes
Amor que te vaya bien
Si te olvidaste de mi
Vete, yo no te vot T vers que es difcil hallar
Quien te d su vida entera
Y e entregu el corazn
Como lo hize yo, como lo hize yo
Sigue tu camino,
que no hay la vuelta contigo

Da la vuelta y vete,
t no me convienes
Sigue tu camino
que no hay vuelta contigo
Que te vaya bien mujer, vete
Sigue tu camino
que no hay vuelta contigo, vete
Si no me vas a querer
no hay vuelta contigo
No me atormentes mujer
no hay vuelta contigo, vete
Que poquito a poco yo te olvidar

(You say) that you've forgotten about me
that the love has escaped
through the gateway of boredom
that your heart is telling you
that you'll find in other arms
what you couldn't find in mine

Chorus:

(You say) that it's the routine, perhaps
and that you need to live
to learn how to love
and you don't understand my kindness
'cause sex is not enough
to fill the void

Turn around and leave already
Today I give you freedom
to fly wherever you want
Someday you'll see
how difficult it is to find
someone who'll give his whole life to you

And in the meantime, my love
I'll hold on to this sadness
to all this true love
which only belongs
in your heart and mine

(Repeat Chorus)

Wow!

Turn around and leave already
if your heart is asking for another illusion
and leave already...LEAVE!
and take this love with you
Turn around and leave already
'cause I know fully well

that you're going to miss me real soon
and leave already
LEAVE ALREADY!
LEAVE ALREADY!
LEAVE ALREADY!
wherever you want
I give you freedom

Wow! JOJOMA!

If you don't love me
It's your loss
I wish you well, my love
if you've forgotten about me
Leave! I didn't throw you out

You'll see how difficult it is to find
someone who'll give his whole life to you
and who'll surrender his heart
like I did, like I did

Continue on your way
'cause there ain't no going back with you
Turn around and leave already
You're not suitable for me
Continue on your way
'cause there ain't no going back with you
I wish you well, woman
LEAVE!

Continue on your way
'cause there ain't no going back with you
If you're not going to love me
there's no going back with you
Don't torment me, woman
there's no going back with you
LEAVE!
'cause little by little I will forget you
