Comprendan que no
pretendo ofenderla
tampoco le estoy haciendo
un reproche
usted es duea de su vida
de su cuerpo y de sus noches
confieso me enamor como un nio
y siento que no estoy arrepentido
disfrute de tu experiencia
hasta calmar mi ansiedad

Coro:

Fu dueo de su alcoba
y de su almohada
la tuve beso a beso, piel con piel
y el sol me sorpendi por su ventana
cansado de delirio y de placer
hasta ayer, hasta ayer

Y perdona usted seora
pero cuando el alma llora
el silencio no es remedio
para calmar el sufrir

Hasta ayer, hasta ayer
mi dulce dama elegante
supe que tienes otro amante
al que quizs con el tiempo
le haras lo mismo que a mi

(Repite Coro)

Fu enredndome en sus besos
hasta que me volvi preso
y en su juego despiadado me
entreg con su pasin
luego vino la traicin el cual si
yo fuera un nio
me dijo que su cario lo
brindaba a quien quisiera
Eres una bandolera que jugo

con mi querer
ya no creo ms mentiras
ni en llanto de mujer

Yo te quera tanto mujer
yo te adoraba tanto mujer....

Understand that I
don't mean to offend her
I'm also not out
to place any blame
You own her life
her body and her nights

I confess I fell in love like a child
and I feel that I don't regret it
I enjoyed her experience
until calming my anxiety

Chorus:
I was owner of her bedroom
and of her pillow
I had her kiss to kiss
cheek to cheek
and the sun would surprise me
through her window
tired from delirium and pleasure

Until yesterday, until yesterday
and pardon me, madam
but when the soul cries
silence is no remedy
to calm the suffering

Until yesterday, until yesterday
my sweet elegant lady
I became aware that
you have another love
to whom, perhaps in time
you'll do the same thing
as you did with me

(Repeat Chorus)

I was snared in by her kisses
until I became imprisoned
and in her merciless game
I was swept over with her passion
later came the betrayal
and as if I was a child
she told me that her affections

she would offer to whom she wished
You are a bad woman
who played with my love
I no longer believe in lies
nor in a woman's tears

I loved you so much woman, eh
I adored you so much woman, eh....
