No saba de tristezas
ni de lagrimas, ni nada
que me hicieran llorar
yo saba de cario, de ternura
porque a mi desde pequeno
eso me ense mam?eso me ense mam?eso y muchas
cosas ms

Yo jams sufr?yo jams llor?yo era muy felz
yo viva muy bien

Yo viva tan distinto
algo hermoso, algo divino
lleno de felicidad,
yo saba de alegras,
la belleza y de la vida,
pero no de soledad
pero no de soledad
eso y muchas cosas ms

Yo jams sufr?
ay, yo jams llor?
yo era muy felz
yo viva muy bien

Coro
Hasta que te conoc?vi la vida con dolor
no te miento fu?felz
aunque con muy poco amor
y muy tarde comprend?que no te deb?amar
porque ahora pienso en t?ms que ayer, y mucho ms

Eh, eh, eh, eh, eh, eh, mam?
(Repite Coro)

Eh, eh, ay, ay, ay, ay, ay, ayyyy
Ehhhh

Es que t?fuiste muy mala
s?muy mala conmigo
por eso no te quiero

no te quiero ver jams

Vete, vete, vete
eres una bandolera
voy a ser yo lo que pueda
para no quererte ms

Es que t?fuiste muy mala
s?muy mala conmigo
por eso no te quiero
no te quiero ver jams

Eh, eh... t?v?
I didn't know about sorrows
nor tears, nor anything
that would make me cry
I knew of kindness, of tenderness
because since I was little
that's what my mom showed me
that's what my mom showed me
that and many more things

I never suffered
I never cried
I was very happy
I lived very well

I lived so differently
something beautiful
something divine
full of happiness
I knew of joys
of beauty and of life,
but not about solitude
but not about solitude
that and many more things

I never suffered
oh, I never cried
I was very happy
I lived very well

Chorus
Until I met you
I looked at life with pain
I won't lie to you, I was happy
although with very little love
and I understood too late
that I shouldn't have loved you
because now I think of you
more than yesterday and much more

Eh, eh, eh, eh, eh, eh, mam?
(Repeat Chorus)

Eh, eh, ay, ay, ay, ay, ay, ayyyy
Ehhhh

It's that you were so bad
yes, very bad with me
that's why I don't want you
I don't want to ever see you

Leave, leave, leave
you are a bad girl
I'm going to try my best
to never love you again

It's that you were so bad
yes, so bad with me
that's why I don't want you
I don't ever want to see you

Eh, eh... you see
