it was a coldest day in december  
a day i will always remember  
i looked into your eyes  
and faced my deepest fear  
i had drifted too far  
far from you my dear  
[chorus:]  
so how could i  
turn away from the one i love  
how could i  
when i know what my heart's made of  
could it be  
that your soul lives inside of me  
how could i ever say good-bye  
why was i so afraid to tell her  
that for her i would fight a thousand soliders  
but just like an angry child  
i kept my feelings locked inside  
there were rivers of tears  
flowing from her eyes  
[repeat chorus]  
when you fall in love  
you never know how long it lasts  
but the one thing i knew in my heart  
is that i was fading much too fast  
[repeat chorus]
