"Nadie Como Ella"

Ella sabe darse toda
en un instante
derretir con la mirada
un corazon
ella es fuego que se siente
en mis labios cuando
hacemos el amor

Es una aventura
andar bajo su blusa
poco a poco acariciar
toda su piel
Es un sueo darle un beso
ella sabe que me tiene
a su merced

Coro
Mi corazon es suyo
me siento suyo
dara la vida
por volverle a ver
quien iba imaginarlo
yo convertido
en un capricho
de su desnudez

No hay nadie como ella
tan dulce tan bella
me juego la vida por ella
no hay nadie como ella
es fuego que quema
estoy que me muero por ella

Ella no es como las otras
que dejaron
cicatrices de amargura
y de dolor
vino ella y con ternura
otra vez me hizo creer
en el amor

(Repite Coro)

No hay nadie como ella
tan dulce tan bella
No hay nadie como ella
tan dulce tan bella

Es fuego que quema
y se mete en mis venas
y me juego hasta la vida por ella

No hay nadie como ella
tan dulce tan bella
me he vuelto capricho
de su desnudez
hoy dara todo
por volverla a ver

No hay nadie
que me sepa comprender
como ella
maravilla de mujer
No hay nadie
calma mis ganas de amar
como ella
y por eso quiero ms
quiero ms, dame ms
quiero ms, dame ms

No hay nadie
nadie ms, nadie ms
nadie ms nadie ms como t No hay nadie como ella
No hay nadie
que me llene de ternura
como ella

No hay nadie como ella
sabe darse en un instante
luz tan dulce y tan bella
y por eso he descubierto
que no hay nadie como ella

She knows how to give
all of herself in an instant
how to melt somebody's heart
with just one look
she is fire
that you can feel
on my lips
when we make love

It's an adventure
to wander under her blouse
little by little
caressing all her skin
It's a dream to kiss her
she knows she's got me at her mercy

Chorus
My heart is hers
I feel I'm hers
I'd give my life
to see her once again
who would've imagined
me converted
into a craving
for her nakedness

There's no one quite like her
so sweet, so pretty
I'd bet my life for her
there's no one quite like her
she's fire that burns
I feel like I'd die for her

She's not like the others that left
scars of bitterness and pain
she appeared
and with a tenderness
made me believe in love again

(Repeat Chorus)

There's no one quite like her
so sweet, so pretty
there's no one quite like her
so sweet, so pretty

She's fire that burns
and that gets in my veins
and I'd bet my life for her

There's no one quite like her
so sweet, so pretty
I've turned into a craving
for her nakedness
today I'd give anything
to see her again

There's no one
that can understand me
quite like her

marvel of a woman
there's no one
who calms my desire to love
quite like her
and that's why I want more
I want more, give me more
I want more, give me more

There's no one
no one else, no one else
no one else, no one else like you
There's no one quite like her
who fills me with tenderness

There's no one quite like her
she gives herself up instantly
she looks so sweet and so pretty
and that's why I've discovered
that there's no one quite like her
