[chorus:]

girl i see how you're looking at me  
and i must say you're looking sexy  
but the truth is my baby has been good to me  
girl the way that you move's so tempting  
gotta say that i like what i see  
but the truth is my baby has been good to me  
friday, i saw you looking my way  
i know that you've been wanting me  
i can see it in the way you've been taunting me  
your eyes make it hard for me to walk away  
when the truth is i want to stay  
all i gotta say is girl there's just no way

[repeat chorus]

in my mind i've made love to you a thousand times  
but that is where i draw the line  
i could lose everything that it took so long to find  
let me be as clear as i could be  
though you do what you do to me  
i gotta tell you girl there's just no way

[repeat chorus]

she's been good to me  
she's the only one who ever really stood by me  
she believes in me  
she's the one one who ever took a chance on me  
so girl there's just no way [repeat chorus]
