Te veo obstinada
en hacer tu maleta
en borrar al marcharte
una vida completa
en tirar tierra al fuego
por querer apagarlo
en dejar nuestro mundo
y querer olvidarlo

Coro
Se te ve decidida
y no quieres pensarlo
te encuentras herida y
te duele aceptarlo

Si tu no te fueras
si tu me escucharas
si a pesar de todo
tu me perdonaras
y me perdonaras

Si no te marcharas
si tu comprendieras
que errar es humano
si tu me creyeras
que yo an te amo
si tu comprendieras
que errar es humano
y que yo an te amo

Si espinas de rosas
ya jams te herieron
si el pasado triste
desapareciera
si esas nubes negras
que empaan lo bello
se desvanecieran
se desvanecieran

(Repite Coro)

Si no te marcharas
si tu no te fueras
si no te marcharas
si tu no te fueras, no

Si tu no te fueras
si tu comprendieras
Comprndeme, soy humano
no te quise hacer dao

Si no te marcharas
si tu no te fueras
si el pasado triste
desapareciera

Si tu no te fueras
si tu comprendieras
te juro, nena
yo jams te heriera

Wow!

Si no te marcharas
si tu no te fueras

Ehhhh-aaaaa, ehhh
eh, eh, eh, eh
no te vayas, mujer

Si no te marcharas
si tu no te fueras
Se te ve decidida
y no quieres pensarlo

Si tu no te fueras
si tu comprendieras
te encuentras herida
y te duele aceptarlo, nena

Si no te marcharas
si tu no te fueras
si tu no te fueras, NOOO

Si tu no te fueras
si tu comprendieras
de mam si no te marcharas
si tu no te fueras

I see you are obstinate
in packing your bags
on erasing as you leave

an entire life
on throwing dirt at the fire
in order to put it out
on leaving our world
in order to forget it

Chorus
You look determined
and you don't want to think it over
you find yourself wounded
it hurts to accept it

If you wouldn't leave
if you would listen to me
if in spite of everything
you would forgive me
and would forgive me

If you wouldn't march off
if you'd understand
that to err is human
if you would believe
that I still love you
if you'd understand
that to err is human
and that I still love you

If thorns on roses
no longer hurt you
if the sad past
would disappear
if those black clouds
that blur the beautiful
would vanish
would vanish

(Repeat Chorus)

If you wouldn't march off
if you wouldn't leave
if you wouldn't march off
if you wouldn't leave, no

If you wouldn't leave
if you'd understand
Understand me, I'm human
I didn't mean to hurt you

If you wouldn't march off
if you wouldn't leave
if the sad past

would disappear

If you wouldn't leave
if you'd understand
I swear to you, girl
I would never hurt you

Wow!

If you wouldn't march off
if you wouldn't leave

Ehhhh-aaaaa, ehhh
eh, eh, eh, eh
Don't leave, woman

If you wouldn't march off
if you wouldn't leave
You look determined
and you don't want to think it over

If you wouldn't leave
if you'd understand
you find yourself wounded
it hurts to accept it, girl

If you wouldn't march off
if you wouldn't leave
if you wouldn't leave, NOOO

If you wouldn't leave
if you'd understand
de mam if you wouldn't march off
if you wouldn't leave
