If you put your money where your mouth is  
You'll be Priscilla I'll be Elvis  
You've got the looks and you want the cash  
Tonight fire and tomorrow ash

Put you story where your thong sits  
You say Gucci I say Misfits  
Not a dog you can make sit  
Tonight Cristal and tomorrow piss

Bad bad darling they had me crawling all night  
Sad sad darlings with gold and silver in sight

Take my hand in this late hour  
We escape and we run for cover  
You keep on saying that but your promise is hollow  
Queen tonight, whore tomorrow

Bad bad darling they had me crawling all night  
Sad sad darlings with gold and silver in sight

Bad bad darling they had me crawling all night  
Sad sad darlings with gold and silver in sight  
Bad bad darlings staying put of the light  
Sad sad darlings with gold and silver in sight
