Cut it down, take it off, baby just remove it
Wax it off, rip it out, honey just erase it

I like retro vinyls and all that stuff
But baby this is just too much

You've got to move on
Less 70's more 2000
You've taken this far enough
Baby please, remove the big muff
I've had enough

Burn it down, shave around, baby sacrifice it
Let it go, get it sold, f-f-f-fill a pillow

Vintage pin-ups, old guitars, amps and such
But baby this is just to much

You've got to move on
Less 70's more 2000
You've taken this far enough
Baby please, remove the big muff

VHS does the trick for me, visually
I ain't digital I'm analog, yeah that's what I need
I'm into all the classic rides with stick and clutch
But baby this is just too much

You've got to move on
Less 70's more 2000
You've taken this far enough
Baby please, remove the big muff
