It's the same old situation when the boundaries are gone  
Every five minutes some one's playing your song  
You think that you and that waitress got something going on

Suddenly you're friends with everybody around  
You go on and on about the girl you've found  
You've got a secret handshake to show your special bound

And then you get the fact that you're low on fuel

It's like this potion, his emotion is making kings out of fools  
A bad promotion exposes as sinister and cruel  
And then you get the fact when you start to drawl  
It's like this potion, this emotion is not for you

When everyting crashes you are sucking it up  
Like an addict thinks he'll will reach to the top  
'cause no one's around to tell you when to stop

And then you get the fact that you're low on fuel

It's like this potion, his emotion is making kings out of fools  
A bad promotion exposes as sinister and cruel  
And then you get the fact when you start to drawl  
It's like this potion, this emotion is not for you
