I got a catch from late-night fishing  
She's not looking good but she is, she's alright  
I made a move and she moved with me  
She took it off and then she turned off the lights

Like a soldier coming home  
I'm a sleeping fox on the run

Sleeping fox right next to you  
Took advantage, that's what I do  
Lying here 'til it's out of your head  
To get a part of your bed

If you go now then I won't miss you  
But if you stay it will be, it will be alright

Like a soldier coming home  
I'm a sleeping fox on the run

Sleeping fox right next to you  
Took advantage, that's what I do  
Lying here 'til it's out of your head  
To get a part of your bed

Until it's out of your head/To get a part of your bed  
Until it's out of your head/I'm sleeping fox  
Until it's out of your head/To get a part of your bed
