Cancel my subscription to the Resurrection,
Love is the law, pure perfection,
I'm born again... yeah.

Who said love was a losin' game?
I've got light, man, I feel no pain,
'Cause I'm born again... yeah.

Now get up - when you're on the floor,
Get up - d'you wanna' fight some more?
Now get up, Ah!

I saw Venus, up in the sky,
I turned down my head and Serena smiled,
That I'm born again, yeah.

I held the hand of a crying girl,
Brooklyn tears, yeah, I've felt the spell,
I was born again, yeah.

Now get up - when you're on the floor,
Get up - d'you wanna' fight some more?
Now get up, Ah!

This is life,
At in the end you know that there's light!
There's no need to cry through the night! Ah!
Now I'm a man who ain't afraid,
I destroyed my ego just to make the space,
'Cause I'm born again, yeah.

And when I feel a melody,
I get a righteous charge right through me,
Yeah, I'm born again, yeah...

Now get up - when you're on the floor,
Just get up - don't wanna' fight no more,
Now get up! Ah!

This is life,
At in the end you know that there's light!
There's no need to cry through the night! Ah!

All together now!

Na... na-na-na-na-na,

Na-na-na-na...

Come on, one life - one life, let's go!

Oh, yeah! Oh, yeah! Oh, yeah!

Oh, yeah! Oh, yeah! Oh, yeah!
