Earth to earth, and dust to dust  
Rest in peace, your time has come.  
Be my angel, my dark angel;  
Lay down next to me  
And die for ever your last dream...

Agnus Dei, qui tollis peccata mundi,  
Miserere, miserere nobis.

Frozen lips, broken heart,

Lonely soul with eyes of ice.  
Be my angel, my dark angel;  
Bloody kisses before the day breaks  
And light comes...

Agnus Dei, qui tollis peccata mundi,  
Miserere, miserere nobis.  
Agnus Dei...
