Look at me, I'm descending on you;
Look at me, I'm deep-ending on you.
I'm falling, I'm falling, I'm falling down;
I'm falling, I'm falling inside my heart.
I'm waiting, I'm stearing the sunset comes;
I'm waiting, I'm stearing to burn you down...

I saw you, like the promised land;
And I felt you, like the only one.
I'm falling, I'm falling, I'm falling down;
I'm falling, I'm falling inside my heart.
I'm waiting, I'm stearing your time has come;

I'm waiting, I'm stearing to burn you down...

Deep hurt, when you're laying to me,
Deep hurt, when you leave me like this.
Deep hurt, when you're laying to me,
Deep hurt, when you're laughing of me...

And still my heart bleeds for you...

Deep hurt, when you're laying to me,
Deep hurt, when you leave me like this.
Deep hurt, when you're laying to me,
Deep hurt, when you're laughing of me...
