[Anthony Sheehan (Jah Free in background)] It's  
Anthony Sheehan (Don't leave, don't leave) Brown Boy  
Jah Free (Don't leave, don't leave) So Radio (Yeah, oh!)  
Girl, don't you leave (Don't leave, don't leave) Girl,  
don't you leave (Girl, girl) Nah Just listen [Fingazz] "Fi-  
fi-fi-Fingazz on the track" [Verse 1: Anthony Sheehan  
(Jah Free in background)] I still remember the first time  
we met At the mall, lookin' at me, pretty and set I said,  
"Hi," really nervous, you were making me sweat You  
replied, saying something that I couldn't forget Right  
then, I was ready and I knew I was right You switched  
numbers, next day, you was spendin' the night  
Somethin' very opposite of what an ending is like My  
whole life, I been wrong, so this gotta be right That's  
why the love that we have was just made to be true (Oh)  
Cause no one has ever made me feel the way that you  
do (Girl) Nobody's ever made me cry just by sayin' they  
love me (Girl, girl, girl) Knew No one in this world, girl,  
nobody but you But that's for real Chorus: Jah Free  
Baby I know I got you crying I see you give it up But I  
swear to God, I'm trying So please don't walk away Just  
give me one try I want you to stay I need you in my life  
Please girl, don't you, leave [Jah Free] Don't leave Don't  
leave Girl, don't you leave Don't leave Don't leave  
[Fingazz] "Do-do, do, do-don't you leave" --> Jah Free  
[Jah Free] Don't leave Don't leave Girl, don't you leave  
Don't leave [Brown Boy] Brown Boy [Jah Free] Don't  
leave [Brown Boy] You already know what it is [Verse 2:  
Brown Boy {Jah Free in background}] From the first  
time, girl, that I looked at you (Uh hun) I knew that  
second, I was hooked on you {Yeah} The question  
was, would my heart stay true (What) Now I know the  
answer cause she sad and blue Should've never cheat,  
should've never lie Never meant to hurt you, make you  
cry Do anything, baby, for another try (One more) Give  
it all up, just to take away the pain I promise you, ma No  
more games I done with it all The women and the fame  
{Girl} If I ain't got you, then it ain't the same I'm down  
on my knees Please don't leave {Yeah} Repeat Chorus  
Hook: [Jah Free] Don't leave Don't leave Girl, don't you  
leave Don't leave Don't leave [Fingazz] "Do-do, do, do-

don't you leave" --> Jah Free Repeat Hook [Verse 3:  
Anthony Sheehan (Jah Free in background)] Girl, I  
know, I've been wrong, but I'm tryin' to be right Tryin' to  
stop arguin', tryin' to stop, with the fights See, doin'  
you wrong, was my biggest mistake Cause I never once  
found a way to turn in my fate (Baby) But you can't turn  
around and forget all the rest (Girl) How I always made  
you happy when I gave in my best I'll never stop a thing  
to just give it a rest Cause whenever I'm without you,  
girl, I'm livin' a mess And I know inside that there isn't a  
question How my life Made it better (Ah, yeah) Yeah  
And I know being with you is a blessin' That is why, I  
would love you forever So don't leave (Don't leave)  
Repeat Chorus Repeat Hook Twice [Jah Free] Ay, ay Ay  
Ay, ay [Fingazz] "Don't you leave" [Jah Free] Ay, ay Ay  
[Fingazz] "Do-do, do, do-don't you leave" [Jah Free]  
Ay, ay Ay Ay, ay [Fingazz] "Don't you leave" [Jah Free]  
Ay, ay Ay [Fingazz] "Do-do, do, do-don't you leave"
