For You

When I look at you
I see more than a cute girl,
I see someone more expensive
Than a sparkling pearl,

That a light up a dark room
Just by walking in,
That a turn a bad man to good man
And no longer want to sin,

A sexy intelligent young woman
Is what you are,
And if I was the sky at night
You'll be my only star,

The only one I know
I'll need,
To brighten me up
And that's true in deed,

And I'm not just talking
I'm keeping it true,
And I wanted to let you know a few
Things so I wrote this for you.
