Making Things Better

Im sorry I made you mad
But Ill try to make it better,
By changing my ways and
Keep you warm like a sweater,

Ill come home on time
And make sure youre all right,
Instead of hanging out with my boys
Just to go and watch a fight

Ill run bath water for you
Right before you come home,
And lay your robe out
Should you have something to put on,

And if theirs sometimes you
Dont want me in your way
Just let me know and Ill make some
Use of my time after work everyday,

Just to make things better
Between me and you
See baby I love you
And I dont want to lose you
