Ordeal

I know he
Treated you wrong,
But don?t worry
Just stay strong,

Don?t let him or
Anybody else put you down,
Now that you?re single
You?ll live a good life now,

And I know you will
Because you?re a nice a lady,
You don?t do negative things
Or act crazy,

And I?m going to help you
Keep that stuff to the side,
And make sure you stay
Independent with all your pride,

And with all that pride
Build up in your heart,
I know you?ll get off
At a good start,

So take these words
And keep it real,
Because they?ll get
You through your ordeal
