Seed Poem

You're on my mind
Right now just to let you know,
As I write this trying to
Create a flow,

Like a river rushing
Through the trenches in the ground,
Like a boat in the ocean
With the sail down,

I'm thinking so hard
But my words are on flight,
But I know when they land
This poem will be just right,

Right for you
And fun to read,
That's why I'm trying to water
It down like you would do a seed,

Take care of it and nourish it,
So when it comes to be,
It'll be beautiful and sweet
When it comes from me.
