I swear that girl
Have a body on her,
Only if she knew
What I'll do to her,

I'll rock her world
And break her back,
I'll hop on that butt
Like a jumping jack,

I don't play games
That's what I'll do,
But if she want
We can play doctor too,

As long as I get to touch
Her in different places,
And watch her make
Different faces,

Those all the things
I want to do to her,
But only if she knew
What I'll do to her.
