The Reason

Youre the reason
I got rid of my hate,
And why I dont
Stay out to late,

I rather be with
You all night,
Instead of hanging out
Until I see the sun light,

Youve changed me a lot
And thats a fact,
Im way much mature
And I know how to act,

I dont fuss with
People no more,
Or try to talk to someone else
When I go out like to the store,

Youre the reason
Why I do these things now,
Id just like to say thanks
For turning me around
